Title - Famous Southern Cooking Recipes

Description of Topic - In the south, there is a lot of food that you cannot really find anywhere else in the country/world. This website would allow people to take a dive into what southern people like to cook, what ingredients they use, and instructions on how to make the food on your own. Ranging from breakfast food, vegetables/sides, and dessert there are so many options to choose from. Also on the website, the history/origin of some of the most popular dishes will be available so people can see where these ideas originated from. Lastly, the website will show what tools and kitchen aids are necessary for the recipes to be executed properly.
